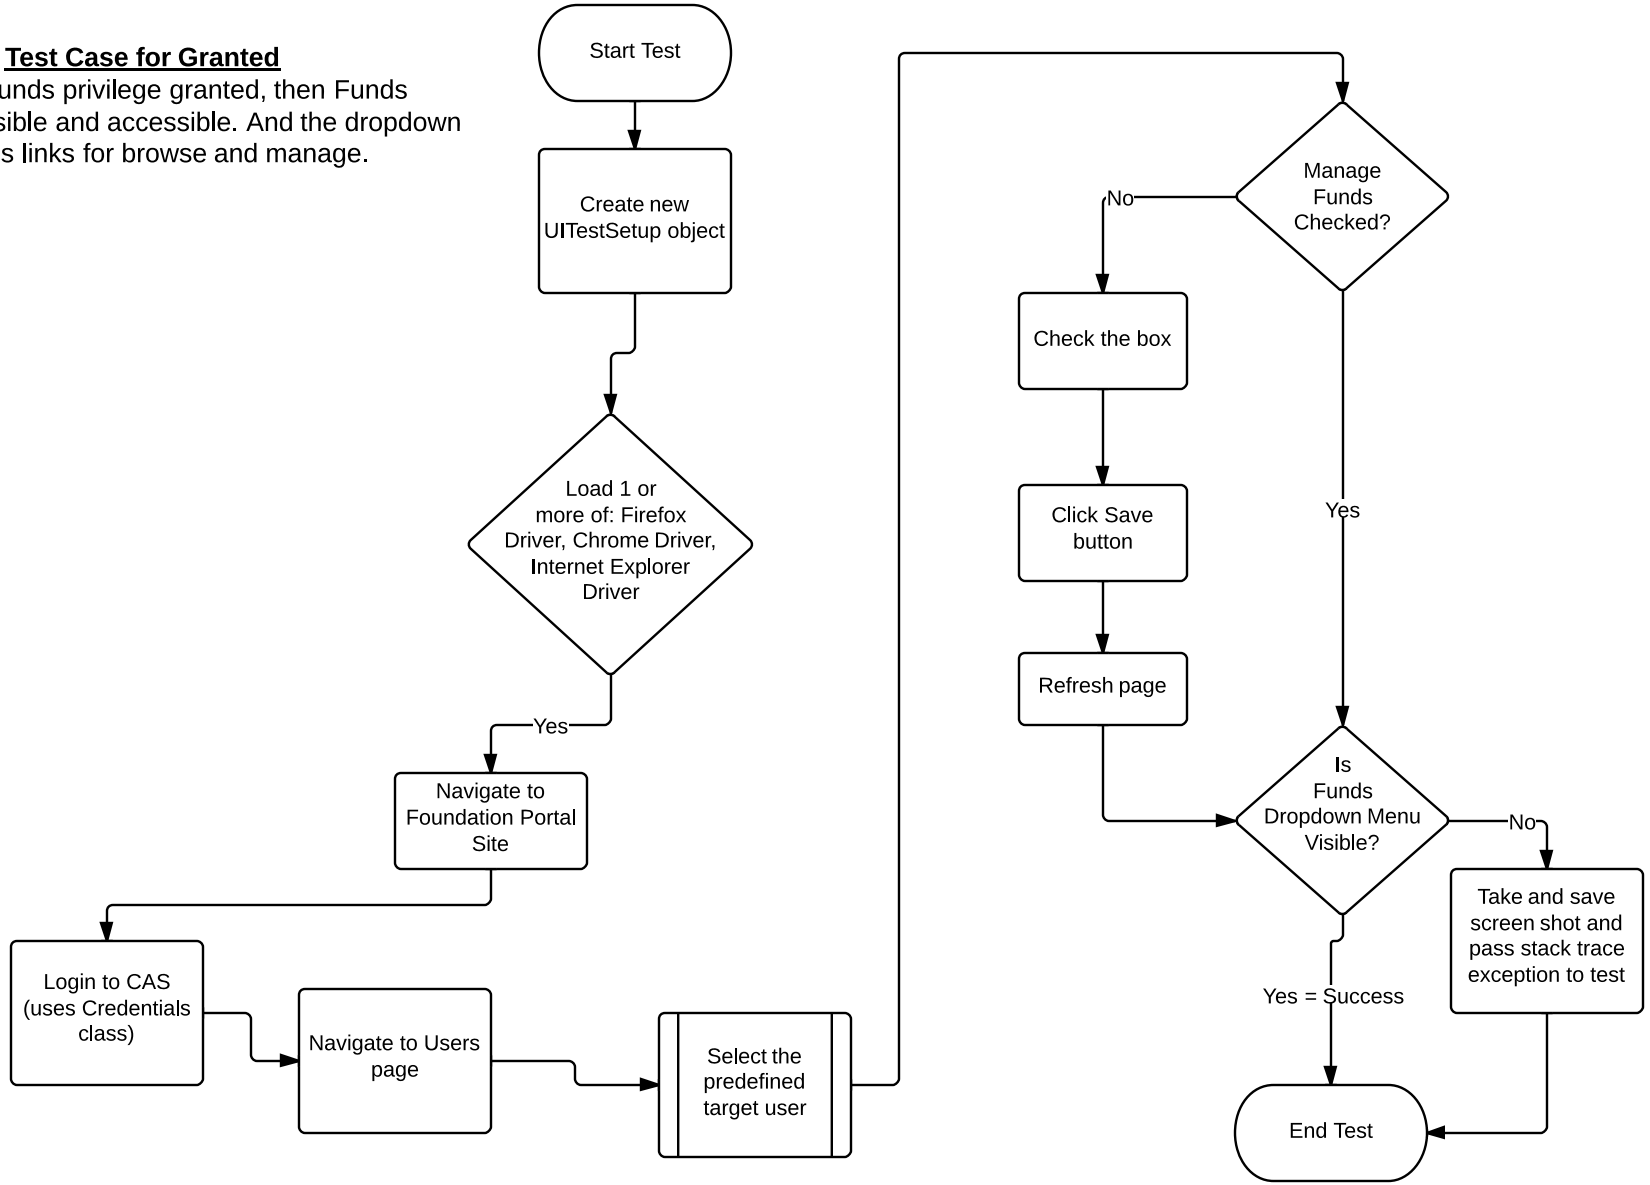
AdministratorRolesManageFundsTests

Test Case for Granted

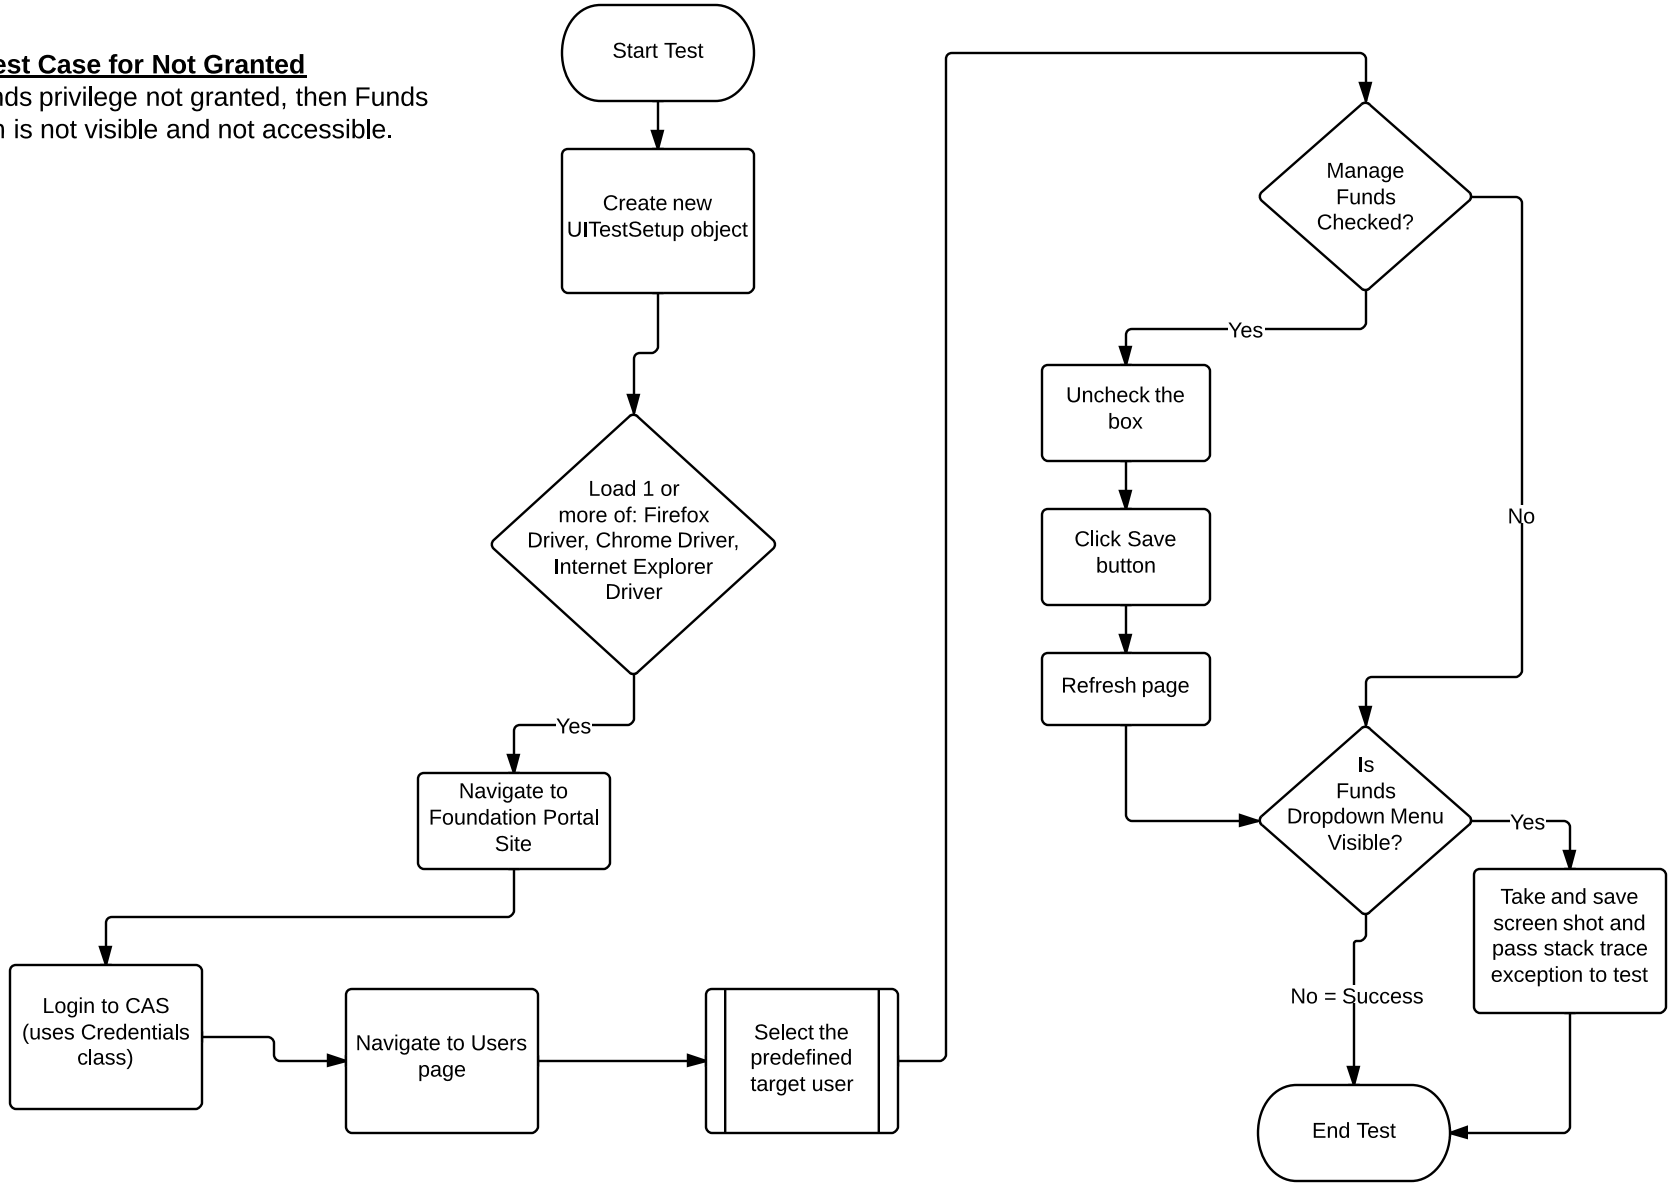
Manage Funds privilege granted, then Funds dropdown is visible and accessible. And the dropdown contains links for browse and manage.



AdministratorRolesManageFundsTests

Test Case for Not Granted

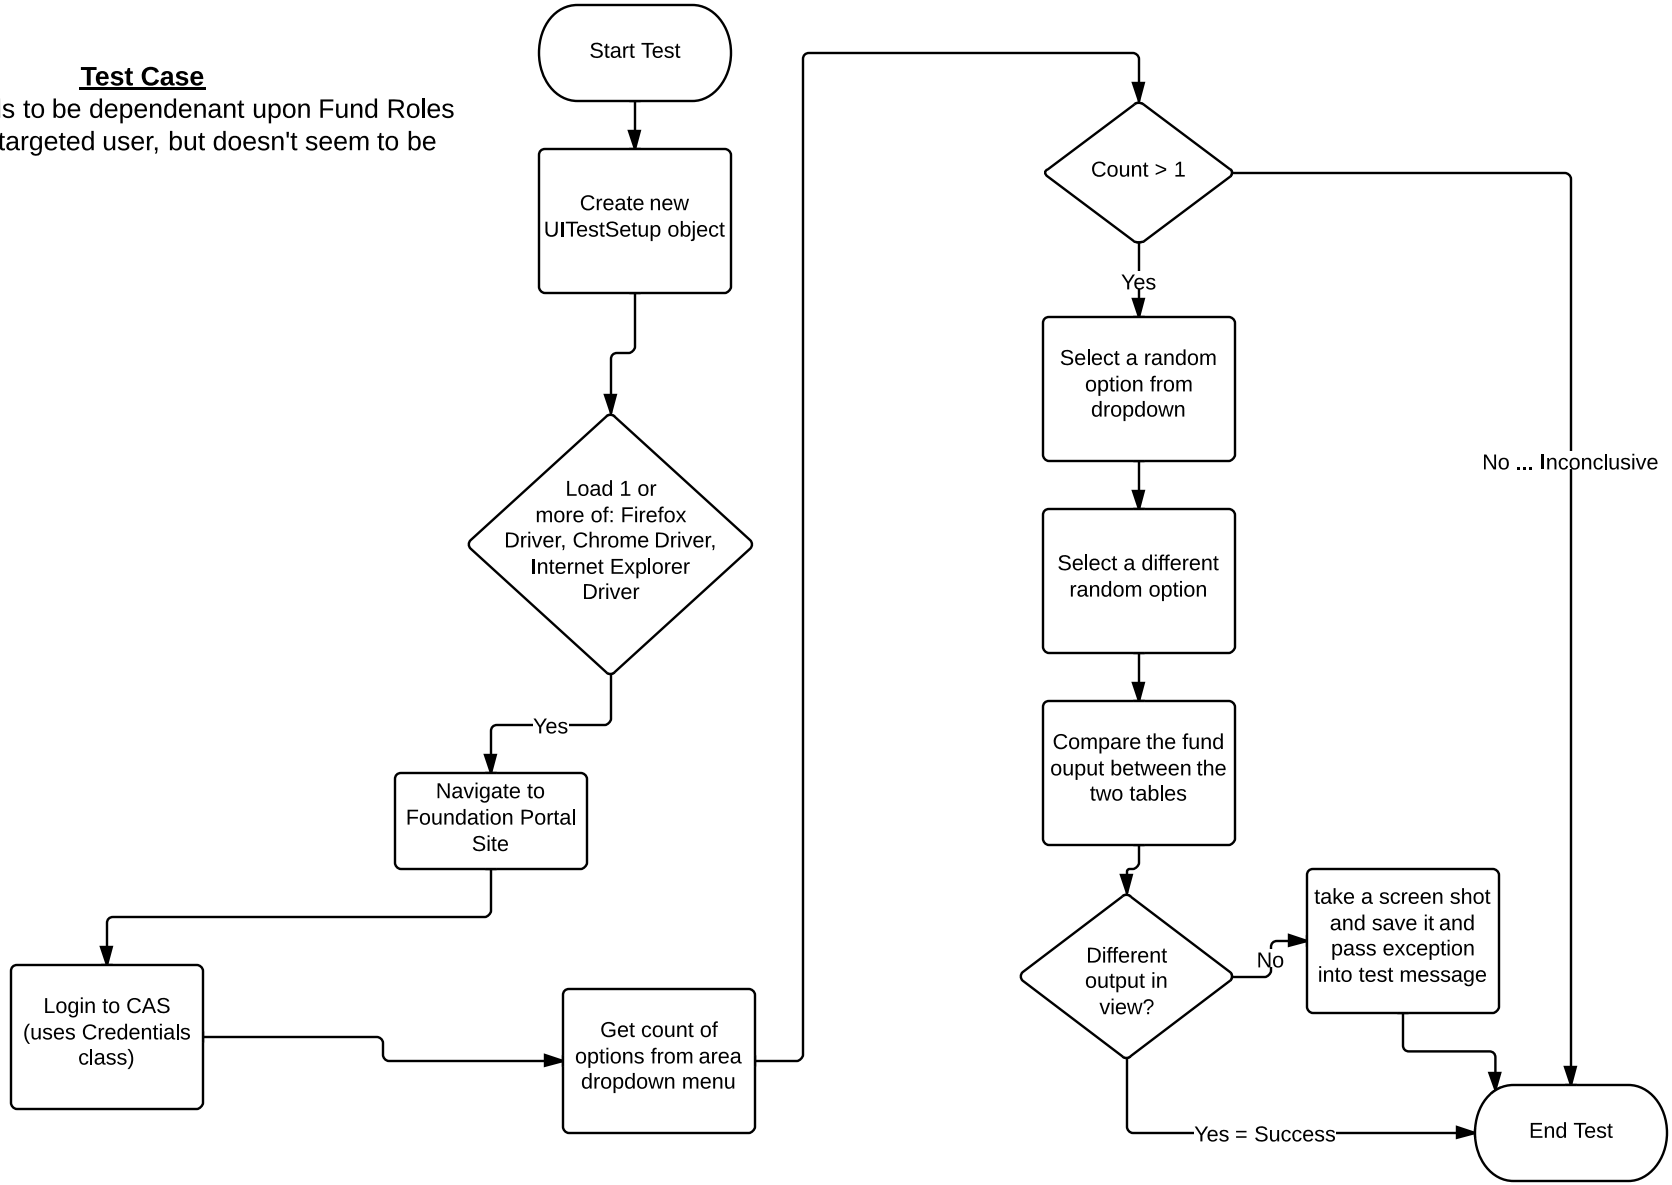
Manage Funds privilege not granted, then Funds dropdown is not visible and not accessible.



BrowseRequestingAreaTests

Test Case

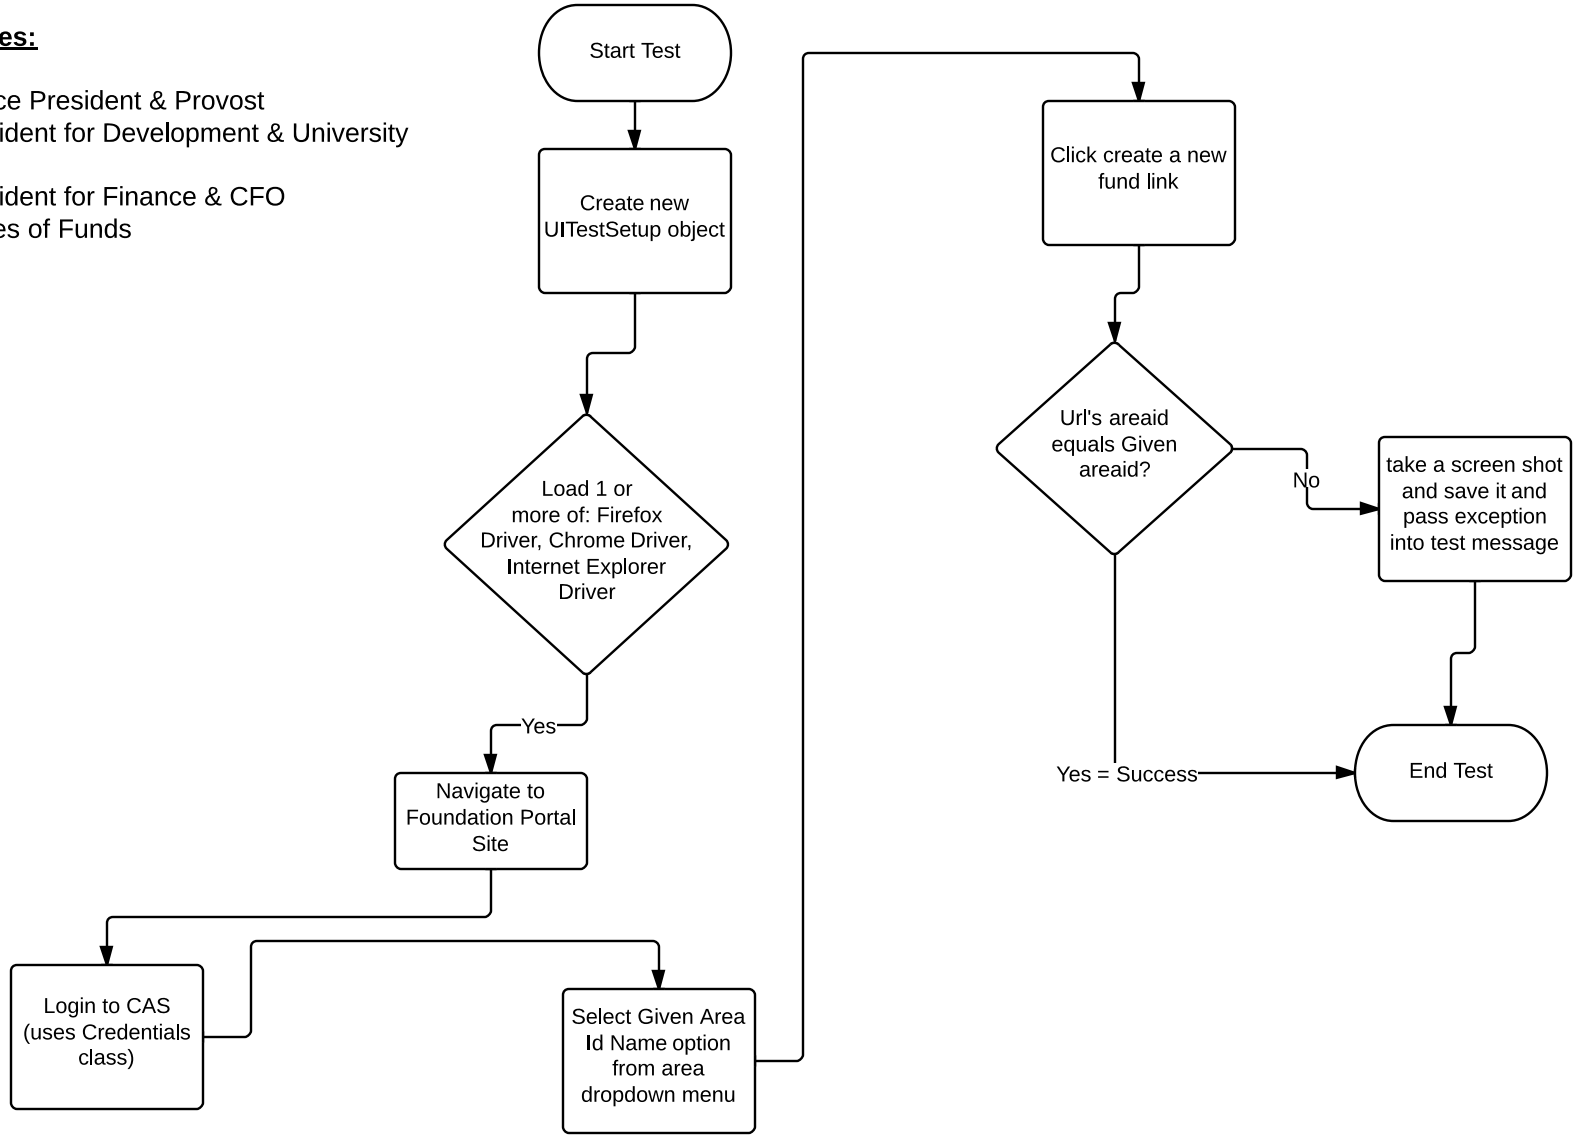
Probably needs to be dependenant upon Fund Roles privileges of targeted user, but doesn't seem to be



CreateNewFundAreaIdTests

Area Id Names:

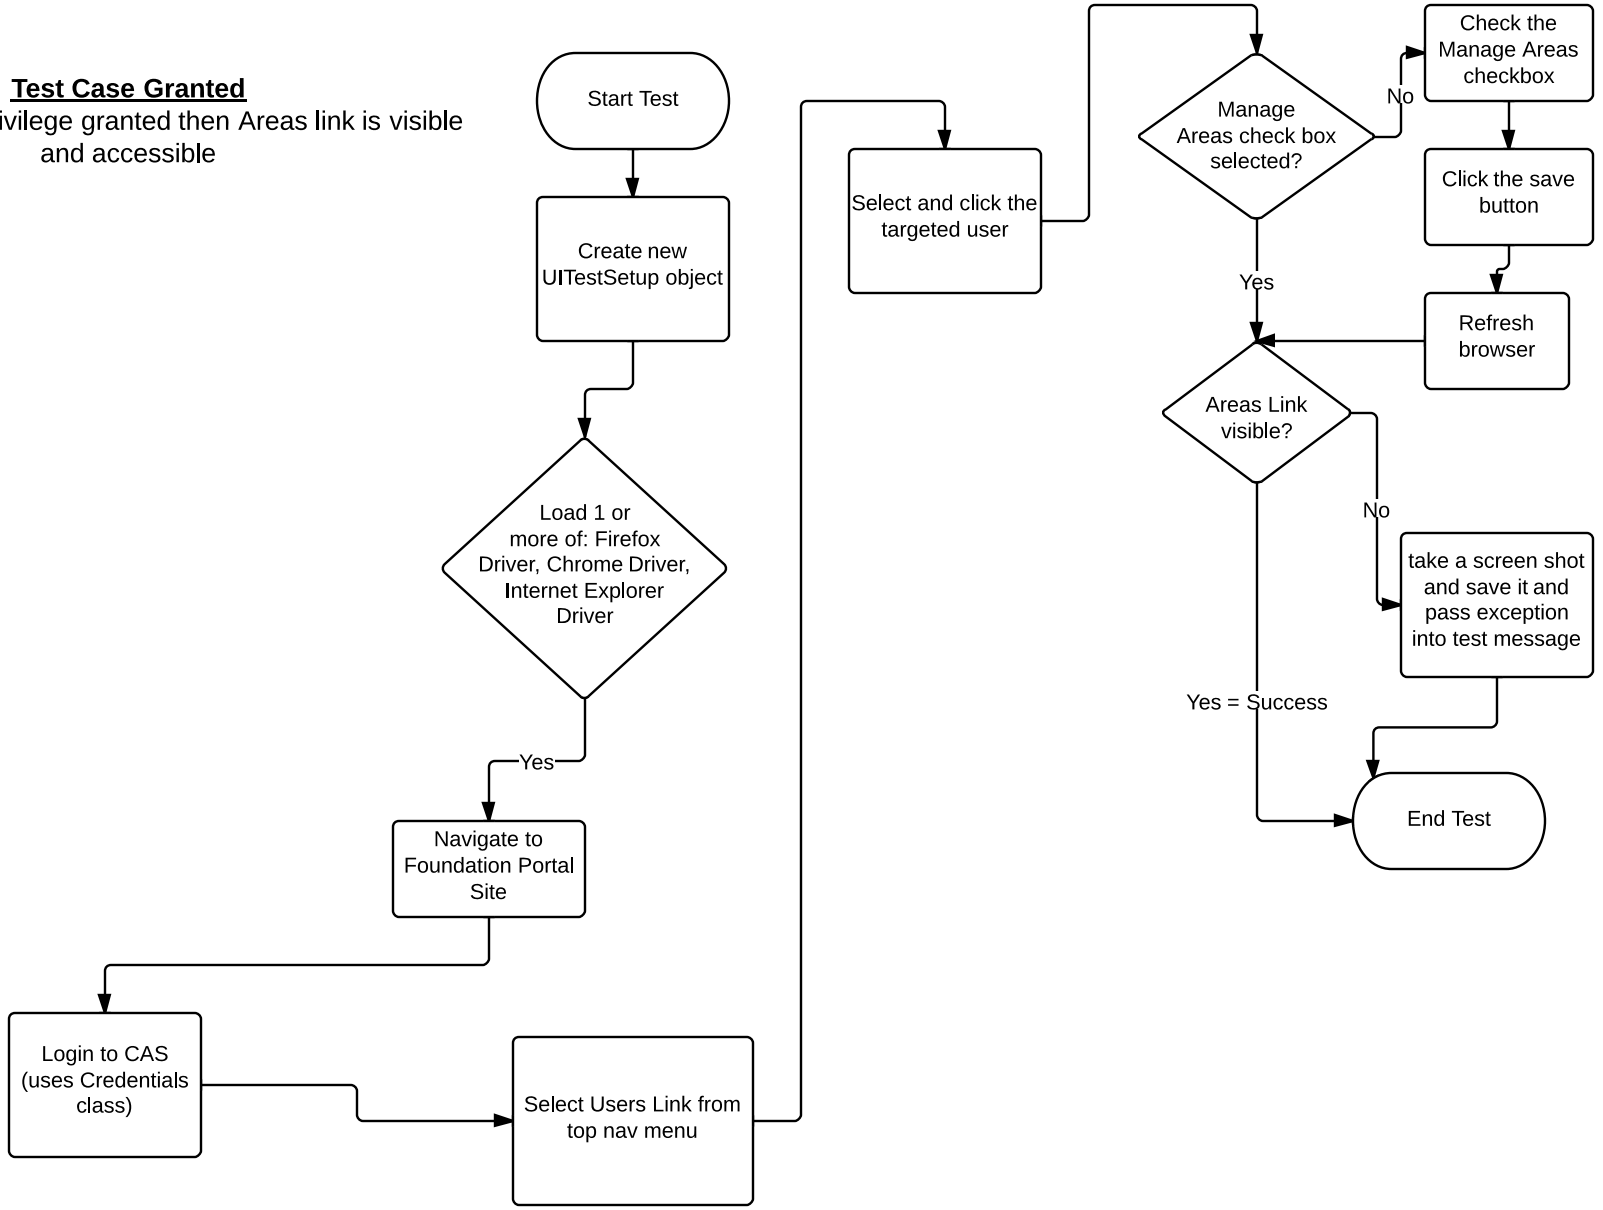
- President
- Senior Vice President & Provost
- Vice President for Development & University Relations
- Vice President for Finance & CFO
- Other Uses of Funds



AdministratorRolesManageAreasTests

Test Case Granted

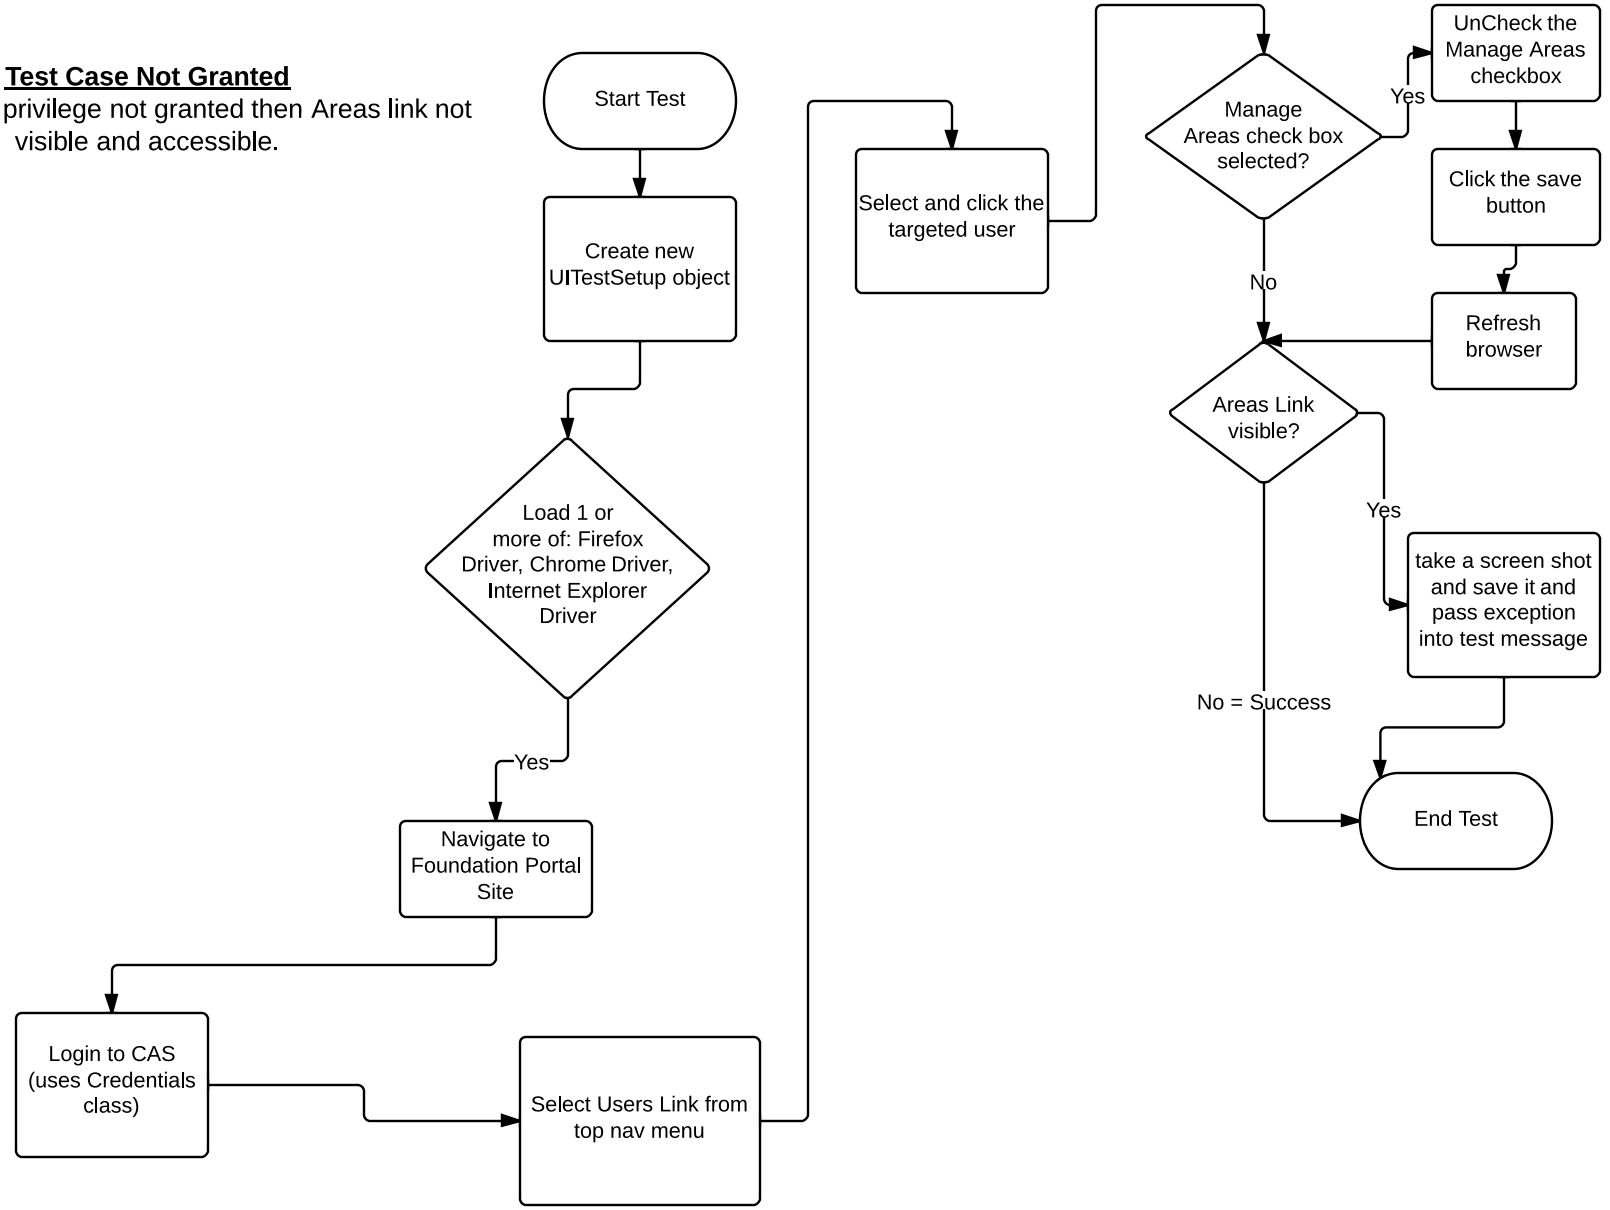
Manage Areas privilege granted then Areas link is visible and accessible



AdministratorRolesManageAreasTests

Test Case Not Granted

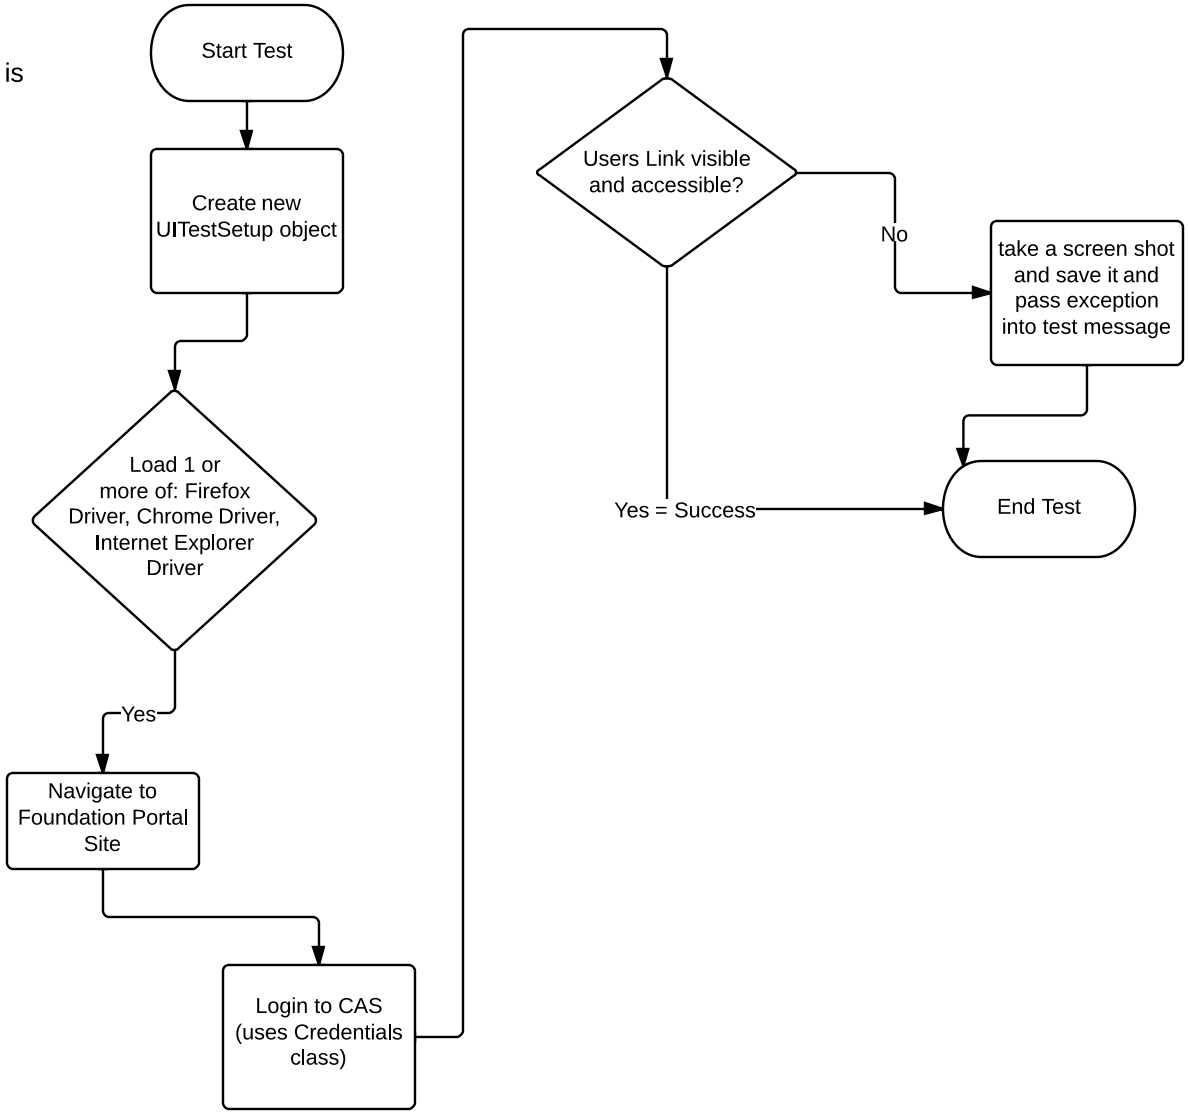
Manage Areas privilege not granted then Areas link not visible and accessible.



AdministratorRolesManageUsersTests

Test Case Granted

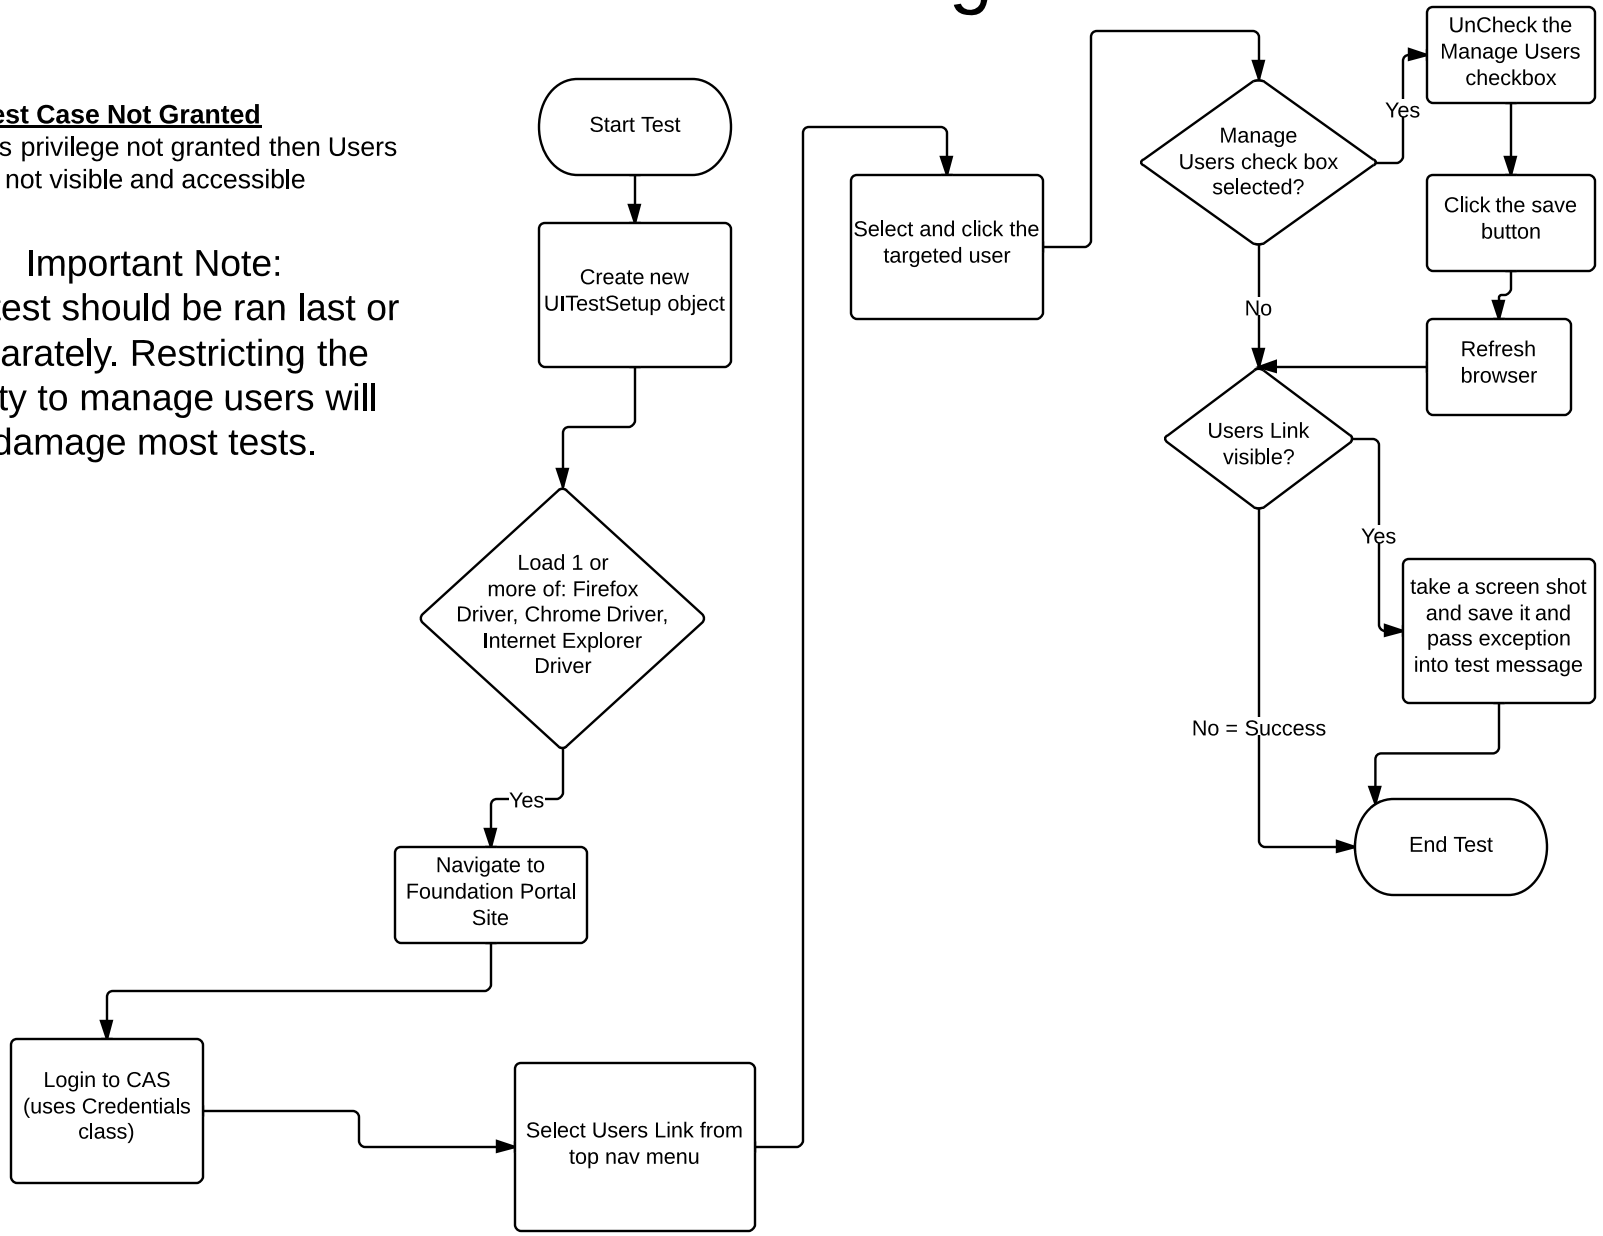
Manage Users privilege granted then Users link is visible and accessible



AdministratorRolesManageUsersTests

Test Case Not Granted
Manage Users privilege not granted then Users link is not visible and accessible

Important Note:
This test should be ran last or separately. Restricting the ability to manage users will damage most tests.

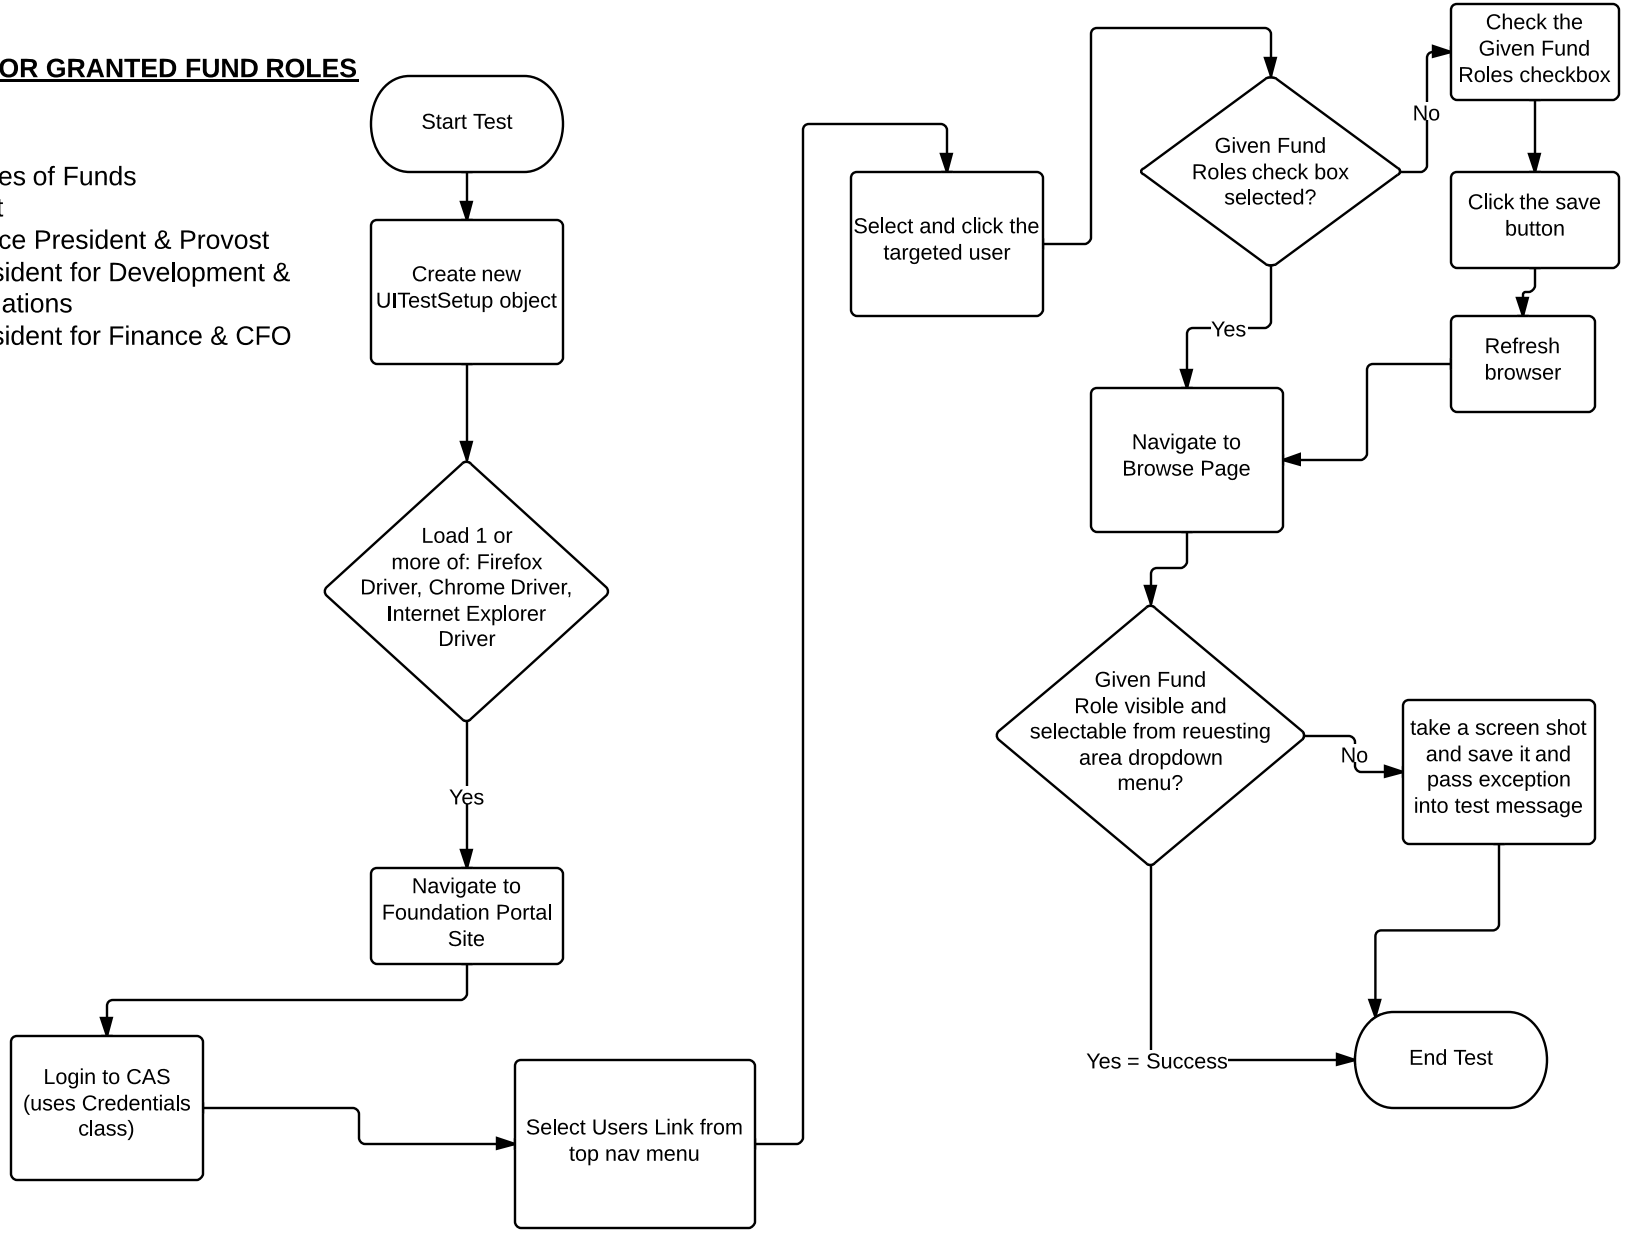


Fund Roles Tests

TEST CASES FOR GRANTED FUND ROLES

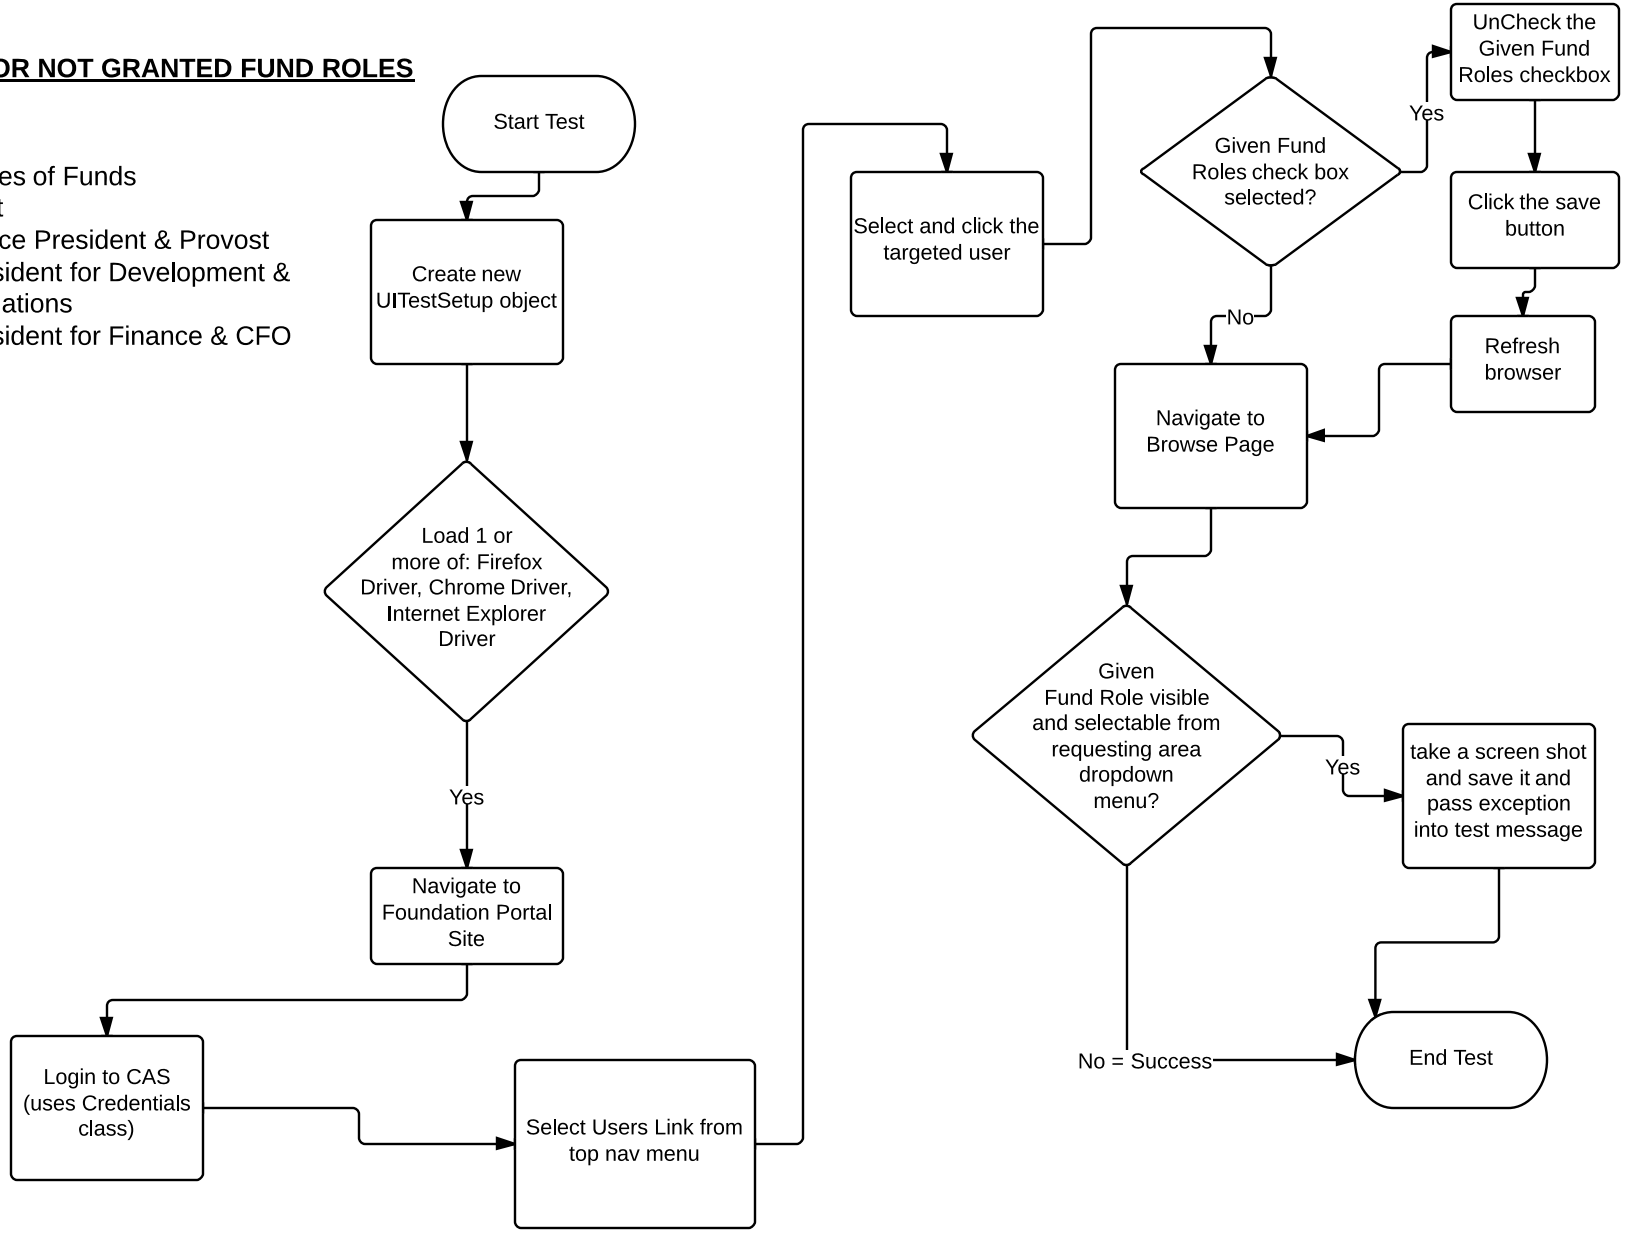
Fund Roles:

- Edit Other Uses of Funds
- Edit President
- Edit Senior Vice President & Provost
- Edit Vice President for Development & University Relations
- Edit Vice President for Finance & CFO



Fund Roles Tests

TEST CASES FOR NOT GRANTED FUND ROLES

Fund Roles:


- Edit Other Uses of Funds
- Edit President
- Edit Senior Vice President & Provost
- Edit Vice President for Development & University Relations
- Edit Vice President for Finance & CFO
